find in this volume an abundance of raw material; but the treatment adopted by the author in grouping the discussion about sections, and even phrases and words, of a particular act prevents any thorough analysis of the general underlying doctrines.

The appendix contains the Executive Order establishing the War Trade Board and the Trading with the Enemy Acts enacted by the United Kingdom, Canada, Australia and South Africa. It is regrettable that the annotations, which make up the real substance of the book, should have been printed in such trying type.
